Is there any existing financial incentive that directly reduces the project cost, including tax credits or deductions, grants, or other public financial assistance, for any of the equipment projects listed in this application? Yes No

If "yes", please explain:

NOTE: NEW EQUIPMENT FUNDED BY THIS PROGRAM CAN ONLY BE PURCHASED OR ORDERED ONCE THE CONTRACT IS SIGNED BETWEEN THE EQUIPMENT OWNER AND THE SAN DIEGO AIR POLLUTION CONTROL DISTRICT.

By signing bellow, the owner certifies:

1. That once the equipment project application is signed, the owner will not submit other applications for funding for the same truck under this Program or the Carl Moyer Program;
2. That the equipment owner has reviewed the application and that the application information is correct;
3. That neither the owner nor equipment identified in the equipment project application has any outstanding violations of ARB regulations;
4. That the equipment project match funding is reasonably available to complete the equipment project according to the proposed timeframe;
5. That Program funds were not used to previously upgrade the equipment identified in the equipment project application.
