**MAILING OF RENEWAL NOTICES FOR PERMIT(S) TO OPERATE
JANUARY, FEBRUARY and MARCH 2011**

Renewal invoices are being delayed due to an upgrade to the permitting database invoice system. Therefore, renewal invoices for Permit(s) to Operate which have a renewal month of January, February or March 2011 will probably not be mailed until March 2011 at which time the upgrade should be complete. Please retain your current blue Permit to Operate that will be valid until March 31, 2011 or until further notice. Keep this letter with your permit(s) until you have received your Permit to Operate for 2011-2012.

There will be no increase in renewal fees for fiscal year 2010-2011.

Thank you for your patience in this matter. If you have any questions regarding your Permit(s) to Operate, please contact the main line at (858) 586-2600 and ask to be connected to Permit Processing.
