**MAILING OF RENEWAL NOTICES FOR PERMIT(S) TO OPERATE
SEPTEMBER, OCTOBER, NOVEMBER OR DECEMBER**

In October 2010 you received a letter regarding the delay of permit renewal invoices due to system upgrades to our permitting database. We are currently issuing renewal invoices on a monthly basis and have issued July and August 2010. We are in the process of completing the remaining months as quickly as possible. Please keep this letter with your permit(s) until you have received your renewal invoice and Permit to Operate.

Updates and mailing notices will be posted on our website at www.sdapcd.org. Please check back frequently for information regarding your renewal month.

As noted before there will be no increase in renewal fees for fiscal year 2010-2011.

Thank you for your patience in this matter. If you have any questions regarding your Permit(s) to Operate, please contact the main line at (858) 586-2600 and ask to be connected to Permit Processing.
