

2010 Lawnmower Event Rain Check Information

If you received a rain check letter at last year's Lawnmower Event, there will be a separate line for rain check holders.

You will need to bring the original rain check along with your identification and qualifying lawnmower to the event on Saturday, April 23, 2011, between 7:00am and 8:00am if you wish to buy a mower.*

***Please note that we cannot guarantee a lawnmower if you show up after 8:00am.**
