How to register an account for APCD records:

Step 1: From the Accela Citizen Access login screen, click “New Users: Register for an Account”
Step 2: Review and accept the terms then click “Continue Registration”.

Step 1: Please review the terms.

Step 2: Accept the terms.

Step 3: Click to continue.
Step 3: Enter your information and click “Continue Registration”.

Choose a unique username.
Enter your email address.
Choose a Security Question. Note: this question will be used to verify information, in case of forgotten password, etc.
Fill out your contact information.
Click to proceed.
Step 4: A confirmation screen will verify your registration. You must now contact the Air Pollution Control District to link your applications and permits to your account.
