

NOTES

AB 617 Land Use Subcommittee Meeting

Wednesday, June 3, 2020, 5:30 – 6:30 pm

- 1. Roll Call – Present: E. Arias, S. Calzada, D. Flores, M. Hernandez, M. Moreno, and A. Sanchez**
- 2. Public Comments - None**
- 3. Area Wide Strategies –**
 - a. Transportation - SANDAG Update - Elisa Arias presented a list of projects that SANDAG has identified through their work. SANDAG did multi modal study with the military working group and presented the following narrowed list that serve Portside Communities that includes active transportation projects, urban trails, traffic calming measures, and some grade separation projects. All these projects have been identified in different plans, and have been vetted by different agencies/cities. SEE MMAS Project Inventory Slide for project list.**
 - i. Subcommittee agreed to review list, ask questions on this list of projects, and discuss which projects to include as potential CERP recommendations.**
 - 1. TASK: Send questions to Elisa for response.**
 - 2. Goods movement projects will be discussed by Truck Subcommittee – Need to see which projects from Harbor Dr. Multi modal projects will have land use connections. (David to follow up with Elisa on this.)**
 - b. Port – Harbor Drive Multi-modal Study – David introduced the study and map and reviewed how the study is formatted. Discussion revolved around project areas and how to review the lists and identify potential projects.**
 - i. Subcommittee agreed to review list, ask questions on this list of projects, and discuss which projects to include as potential CERP recommendations. Truck subcommittee will be reviewing projects on the Goods Movement list of projects. OVERLAP would be geo-fencing and electric infrastructure pilot projects. Request truck subcommittee take lead on Goods Movements review and check with LU subcommittee on overlap.**
 - 1. TASK: David will distribute lists and map and request committee members to identify potential projects.**
 - 2. TASK: Review and discuss June 17, July 1.**
 - 3. TASK: Send questions to David for response.**
