San Diego County Air Pollution Control District

2026 SD Clean Air Indoor Air Purifier Distribution Program Terms & Conditions

Eligibility

- The San Diego County Air Pollution Control District (SDAPCD) will provide a limited number of free portable air purifiers and replacement filters to participants from eligible households in the Portside Environmental Justice Neighborhood (Barrio Logan, Logan Heights, Sherman Heights, and West National City).
- Distribution is limited to one (1) air purifier and replacement filters for households within the eligible service area that have not yet participated in the program. Costs for additional replacement filters are the responsibility of the participant.
- Not all participants from eligible households will receive an air purifier due to limited quantities.
- Participants must be over the age of 18 and submit an application through SDAPCD's online portal.

Participant Responsibilities & Acknowledgements

- **The participant certifies that the information provided in this application, including any address provided online or during registration and/or distribution events, is accurate to the best of their knowledge and that any false statements, information, or answers will be grounds for disqualification from participation in the program and eligibility to receive an air purifier and may result in referral to appropriate enforcement agencies for investigation.**
- In some cases, proof of address may be required to confirm eligibility.
- **The participant agrees not to resell any air purifiers or replacement filters received through the program within two years of receipt and acknowledges that such resale may result in referral to appropriate enforcement agencies for investigation.**
- Participant agrees to follow the Manufacturer's User Guide regarding equipment maintenance and warranty information.
- If I receive air purifier(s) from this program, I agree to provide feedback on the portable air filtration unit(s) and replacement filter(s), such as performance and end-user experiences, at the request of SDAPCD.
- The participant agrees to allow SDAPCD to share their personal information (i.e., name, address, contact information) with third-party vendor(s) and their partners responsible for ordering and shipping their order and agrees to receive communications (including emails and/or text messages) from those partners about their order.
- For distribution for home delivery, SDAPCD is not responsible for lost or stolen equipment. Lost deliveries must be reported to the supplier within 30 days of the reported delivery date.
- Participant is responsible for the purchase of any additional replacement filters beyond those provided as part of this program.

SDAPCD Disclaimers

- **To the fullest extent permissible by law, SDAPCD will not be liable for any damages or injuries of any kind arising from the acquisition of or use of the air purifier(s) and/or filter(s) provided by this program.**
- **By using these products, the participant is accepting any and all risks associated with their use. This disclaimer does not waive any product warranty offered by the manufacturer of the item.**
- **The application "Record ID Number" will act as proof of purchase for all manufacturer warranty inquiries.**
- The air purifier(s) may reduce but will not completely eliminate odors or other air contaminants.
- SDAPCD is not responsible for replacing broken or non-working products. Manufacturer warranty information will be provided with the equipment.
- SDAPCD is not liable for participant's failure to receive phone call, text, or email notification of confirmation, including if email or text security settings caused the notification to go into the spam or junk folder.
- SDAPCD may use the information the recipient has provided to manage direct delivery requests, track and evaluate the program, including but not limited to evaluation for eligibility to participate in the program. To the extent possible, SDAPCD will keep personal information confidential.
- SDAPCD is not responsible for electricity costs to operate the purifier(s).
