

San Diego County Air Pollution Control District

In-Use Off-Road Diesel Vehicle Regulation

San Diego County
Air Pollution
Control District

Off-road vehicles are required to be registered with the State of California Air Resources Board (CARB) and must have an Equipment Identification Number (EIN) label on both sides of the vehicle. Failure to register or properly label may result in a citation for each non-compliant vehicle.

Off-Road vehicle is defined as:

- 25 horsepower engine or greater
- Uses diesel fuel
- Self propelled
- Used for commercial purposes
