E. AGENDA ITEMS

1. APPOINTMENT OF PUBLIC MEMBERS TO THE SAN DIEGO COUNTY AIR POLLUTION CONTROL DISTRICT GOVERNING BOARD

In accordance with AB 423 (2019, Gloria, codified at California Health and Safety Code Section 40100.6(a)(4)), the Air Pollution Control District Governing Board (Board) is required to appoint three Public Members to the Board – one physician or public health professional, one individual representing environmental justice interests, and one individual with a scientific or technical background in air pollution. These Public Members are to be appointed based upon their demonstrated interest and proven ability in the field of air pollution control and their understanding of the needs of the general public in connection with the air pollution problems of the San Diego

Air Basin. On March 19, 2021, the Board adopted Attachment A of the Interim Bylaws, the procedures for the Board's appointment of its Public Members, consistent with the requirements of AB 423. The Public Member application form was publicly noticed by the District via its public website at www.sdapcd.org, email listserv with approximately 4,500 recipients, social media platforms, and other communications with a wide range of stakeholders. As of the approved deadline of March 23, 2021, 17 applications had been received by the Clerk of the Board.

In accordance with the procedures, each applicant has been requested to attend the Board meeting and be prepared to make an introductory statement and answer questions from the Board. Applicants will be interviewed by the Board individually in the following order: (1) applicants for the physician or public health professional member; (2) applicants for the environmental justice member; and then (3) applicants for the scientific or technical member. The Board will then consider the appointment of each of the three Public Members in the specified order.

*Additionally, this is a request to approve as a job class of the Air Pollution Control District, "Governing Board Public Member." This will allow the County of San Diego to facilitate payment of statutory compensation and incurred expenses to Public Members of the Board according to California Health and Safety Code section 40100.6(e) and the Agreement for Provision of Services and Payment of Costs between the County and District.

AYES: Birkbeck-Garcia, Bush, Elo-Rivera, Fletcher, Gomez, Martinez, Medina, Sanchez, Shu, Vargas, Whitburn

5. ADOPTION OF PROCEDURES FOR THE APPOINTMENT OF MEMBERS TO THE AIR POLLUTION CONTROL DISTRICT HEARING BOARD

The California Health and Safety Code Section 40800 provides for the appointment of members to the Air Pollution Control District Hearing Board. The duties of the Hearing Board include consideration of variance requests from permitted entities, permit appeals from permittees or members of the public, and requests for abatement orders. The Hearing Board is made up of five members, which include one member admitted to practice law in California, one registered professional engineer, one member from the medical profession with specialized skills, training or interests in the fields of environmental medicine, community medicine, or occupational/toxicologic medicine, and two public members. Alternates may also be appointed for each member.

Hearing Board members were previously appointed by the County Board of Supervisors, sitting as the Air Pollution Control Board. The prior procedures for appointment of the Hearing Board members were specific to the Board of Supervisors, and do not carry over to the new APCD Governing Board structure.

Hearing Board members and their associated alternates are appointed to terms of office for three years. District staff requests the Board's adoption of these procedures, in anticipation of the appointment of two Hearing Board members and two alternates (one public member and one medical professional, and alternates) at the Governing Board meeting on May 7, 2021.

Recommended by: Interim Air Pollution Control Officer
