

Air Pollution Control District Governing Board
San Diego County Air Pollution Control District
AGENDA ITEM # 05

DATE: July 16, 2021

TO: Air Pollution Control District Governing Board

SUBJECT:

APPOINTMENT OF MEMBERS TO THE AIR POLLUTION CONTROL DISTRICT HEARING BOARD

REQUESTED ACTION:

Appoint Hearing Board Members and Alternates pursuant to Attachment B to the Interim Bylaws, entitled: "Procedures for Appointment of Governing Board Public Members."

OVERVIEW:

California Health and Safety Code Section 40800 provides for the appointment of members to the Air Pollution Control District Hearing Board. The duties of the Hearing Board include consideration of variance requests from permitted entities, permit appeals from permittees or members of the public, and requests for abatement orders. The Hearing Board is made up of five members, which include: one member admitted to practice law in California: one registered professional engineer; one member from the medical profession with specialized skills, training or interests in the fields of environmental medicine, community medicine, or occupational/toxicologic medicine; and two public members. An alternate for each member may also be appointed.

Hearing Board members were previously appointed by the County Board of Supervisors, sitting as the Air Pollution Control Board. The prior procedures for the appointment of Hearing Board members were specific to the Board of Supervisors and did not carry over to the new APCD Governing Board structure. On April 2, 2021, the new Governing Board adopted procedures for the appointment of Hearing Board members, reflected in Attachment B of the Interim Bylaws.

Hearing Board members and their associated alternates are appointed to terms of office for three years. Currently, two of the five Hearing Board members (the attorney member, the medical professional member, and one public member) are serving under expired terms. Accordingly, today's request is for the appointment of the attorney member, the medical professional member, one public member, and their respective alternates to the Hearing Board.

In accordance with the procedures, each applicant has been requested to attend the Board meeting and be prepared to make an introductory statement and answer questions from the Board. Applicants will be interviewed individually in the following order: (1) applicants for the attorney member; (2) applicants for the medical professional member; and (3) applicants for the public member. The Board will then consider the appointment of the Hearing Board members and their alternates in the specified order and in accordance with the adopted procedures.
