Eligibility Criteria

To be eligible for funding in the Voucher Incentive Program (VIP) projects must meet the criteria described in the Voucher Incentive Program Guidelines. These criteria include, but are not limited to, the following:

- **Fleet Size:** Owner/ Applicant may not own more than ten on-road heavy-duty diesel-fueled vehicles with a Gross Vehicle Weight Rating (GVWR) greater than 14,000 pounds. Owners of on-road vehicle fleets with more than ten vehicles are not eligible to participate. Vehicles with a GVWR greater than 14,000 pounds that are leased for more than a year must also be included in the fleet size. Determination of fleet size must be based on the definitions and criteria in the Statewide Truck & Bus Regulation in California Code of Regulations, title 13, section 2025.
- **Regulations:** The purchase and use of this low-emission vehicle is not required by any local, State, and/or federal rule or regulation, including the Drayage Truck Regulation. **Note:** VIN numbers will be added to the Drayage Truck Registry as “non-compliant” for up to three years after replacement truck delivery if the existing engine was 2006 or older.
- **Compliance Extensions:** Applicant may not use VIP funded projects to generate a compliance extension or extra credit for determining regulatory compliance during the funded surplus period.
- **Existing Engine Model Year:** For replacement projects, the applicant must prove that the existing vehicle is equipped with a model year 2009 or older engine.

- **Weight Range:** Applicant must document that the existing vehicle meets the criteria for either a light heavy-duty vehicle, a medium heavy-duty vehicle, or a heavy heavy-duty vehicle as defined below:
 - To qualify for light heavy-duty (LHD) funding levels, eligible vehicles must have an original manufacturer Gross Vehicle Weight Rating (GVWR) of 14,001-19,500 pounds. **OR**
 - To qualify for medium heavy-duty (MHD) funding levels, eligible vehicles must have an original manufacturer Gross Vehicle Weight Rating (GVWR) of either MHD 19,501-26,000 pounds or MHD 26,001-33,000 pounds. **OR**
 - To qualify for heavy heavy-duty (HHD) funding levels, eligible vehicles must have an original manufacturer Gross Vehicle Weight Rating (GVWR) of 33,001 pounds or greater.
- **Vehicle Title:** Applicant must prove ownership of the existing vehicle for the previous 24 months. The title must show that there is no lien holder.
- **Registration:** Applicant must prove that the existing vehicle is currently registered and has been registered in California for the previous 24 months, or for the previous eight continuous months with 24 months of California operation documentation. For seasonal vehicles, California registration is required for three to six continuous months per 12 month period for the previous 24 months.
- **Insurance:** Applicant must prove that the existing vehicle has been insured for the term consistent with the registration documentation.
- **Usage:** Applicant must provide the previous 24 months of vehicle usage documentation (fuel consumption or miles driven). Depending on the compliance option used, mileage documentation may be required. Fuel documentation must show specific fuel usage of the existing vehicle. Usage covering the entire fleet is not acceptable. The existing vehicle must have met the selected minimum annual mileage or fuel usage requirements in Appendix O, as applicable, in each 12 month period over the previous 24 months.
- **Military Service Provision:** If a participant has been on active military duty at any time during the previous 24 months, documentation prior to deployment and covering the same length of time as the deployment period may be used to meet the title, registration, usage, and operation in California requirements. Participant must submit a copy of DD Form 214, Certificate of Release or Discharge from Active Duty to verify military service during the deployment period.
- **Applying for Funds:** Applicant may only apply for funds through the Voucher Incentive Program to one air district at a time. Applicant cannot apply for any other grant funds to replace this vehicle.
- **Two-for-One Vehicle Replacements:** If an applicant is applying to replace two existing vehicles with one replacement vehicle, then two applications and supporting documentation must be submitted. Please specify this on the application by checking the Two-for-One Option.
