Vehicle requirements may vary slightly between application cycles. Participants must refer to the Clean Vehicle Checklist included with their Award Letter.

Clean Vehicle Checklist

Visit www.sdcc4a.org under the Partners heading to see the list of authorized dealerships participating in our program. You can also learn more about low-interest financing, affordable car insurance, clean vehicle technology, and charging stations under the resources heading.

You must work with the designated dealership contact on the website who will help you verify vehicle requirements. Present your award letter to the dealership upon arrival.
