

San Diego County Air Pollution Control District

November 7, 2022

Dear Community Member:

This letter is to let you know that you live in an area that has potentially elevated health risks created by air toxic emissions from the following facility. The attached map shows the area of elevated health risks around this facility.

Facility Name: Hanson Pacific Aggregates Southwest (Hanson)
Address: 8514 Mast Blvd, Santee, CA 92071
Type of Business: Rock and Aggregate Mining

State law¹ protects your right to know about possible health risks from stationary sources² of air pollution in your neighborhood by requiring the facilities which create elevated health risks to notify you. The San Diego County Air Pollution Control District (APCD) is responsible for requiring public notifications and risk reduction from such facilities per District Rule 1210³.

APCD required a health risk assessment from Hanson based on their air toxic emissions from 2015 and 2019, since both years emissions were very similar. That health risk assessment shows that, in 2015 and in 2019, Hanson released air toxic emissions, primarily arsenic from unpaved haul roads, that could increase the chances of getting cancer for people who live in the area to 14.7 in one million. This represents the highest chance of getting cancer if a person is living at the same property and exposed to the emissions for 30 years.

District Rule 1210 requires this facility to submit a risk reduction audit and plan to APCD by January 28, 2023. You can stay updated about their plan by subscribing to APCD GovDelivery through the following link: <https://bit.ly/SDAPCD-Updates> and clicking on the Air Pollution Control District News list.

¹ Air Toxics "Hot Spots" Information and Assessment Act of 1987

² Stationary sources include factories or manufacturing plants, power plants, shipyards, landfills, rock or asphalt plants, and other industrial, commercial and governmental operations that can emit air pollution

Please join us at a public meeting on Zoom if you have any questions or concerns:

Date: Tuesday, November 29, 2022
Time: 5:00 pm to 6:30 pm
How to participate: Via web browser or mobile device at:
<https://bit.ly/Hanson-Sycamore-HRA>
Zoom Meeting ID: 841 8667 2427
Passcode: 204905

You can also reach out to the facility by contacting Erika Guerra at (925) 365-0004 or Erika.Guerra@martinmarietta.com. The attached fact sheet has additional information. If you have any questions, please send us the attached survey or contact us at APCDEngineering@sdapcd.org or at (858) 586-2600.

Sincerely,

Paula Forbis (Nov 8, 2022 10:48 PST)

PAULA FORBIS
Air Pollution Control Officer
