

San Diego County Air Pollution Control District

NOTICE OF REVISED HEALTH RISK REDUCTION PLAN SUBMITTED BY GENERAL DYNAMICS NASSCO

The San Diego County Air Pollution Control District (SDAPCD) has received a revised health risk reduction plan under application APCD2025-RRP-990003 from General Dynamics NASSCO (NASSCO), a shipyard located at 2798 East Harbor Drive, San Diego, CA 92113.

In accordance with District Rule 1210, NASSCO was required to submit a health risk reduction plan to propose how it intends to reduce the health risk associated with the facility's 2021 air toxic emissions.

The facility's revised Health Risk Reduction Plan is available for public review and comments under the following link: <https://www.sdapcd.org/content/sdapcd/permits/public-notices.html>. Written comments may be submitted for a period of 30 days, ending on, via email at APCDEngineering@sdapcd.org or by mail to 10124 Old Grove Road, San Diego, California, 92131. Please direct your comments to the attention of the Engineering Division.

Should you have any questions regarding this notice or wish to make an appointment to review documents related to this proposed health risk reduction plan at the SDAPCD office, please contact the Engineering Division at APCDEngineering@sdapcd.org or at (858) 586-2600.
