NOTICE OF HEALTH RISK REDUCTION PLAN SUBMITTED BY VULCAN MATERIALS COMPANY

The San Diego County Air Pollution Control District (SDAPCD) has received a proposed health risk reduction plan under application APCD2026-RRP-990016 from Vulcan Materials Co., a mineral processing facility located at 2275 Hard Rock Road, Chula Vista, CA 92069.

In accordance with SDAPCD Rule 1210, Vulcan Materials Co. was required to submit a health risk reduction plan to propose how it intends to reduce the health risk associated with the facility's 2023 air toxic emissions.

The facility's proposed Health Risk Reduction Plan is available for public review and comments at the following link: https://www.sdapcd.org/content/sdapcd/permits/public-notices.html. Written comments may be submitted for a period of 30 days, ending on December 19, 2026, via email at APCDEngineering@sdapcd.org or by mail to 10124 Old Grove Road, San Diego, California, 92131. Please direct your comments to the attention of the Engineering Division.

Should you have any questions regarding this notice, please contact the Engineering Division at APCDEngineering@sdapcd.org or at (858) 586-2600 and reference the listed application number.
