

San Diego County Air Pollution Control District

NOTICE OF HEALTH RISK REDUCTION PLAN SUBMITTED BY MARTIN MARIETTA SAN DIEGO AGGREGATES, LLC.

The San Diego County Air Pollution Control District (District) has received a proposed health risk reduction plan under application APCD2023-RRP-990004 from Martin Marietta San Diego Aggregates, LLC (formerly Hanson Pacific Aggregates Southwest), a Rock and Aggregate Mining Facility located at 8514 Mast Blvd., Santee, CA 92071.

In accordance with District Rule 1210, Martin Marietta San Diego Aggregates, LLC was required to submit a health risk reduction plan to propose how it intends to reduce the health risk associated with the facility's 2015 and 2019 air toxic emissions.

The facility's proposed Health Risk Reduction Plan is available for public review and comments under the following link: <https://bit.ly/Hanson-Sycamore-RRP>. Written comments may be submitted for a period of 30 days, ending on March 23, 2023, via email at APCDEngineering@sdapcd.org or by mail to 10124 Old Grove Road, San Diego, California, 92131. Please direct your comments to the attention of the Engineering Division.

Should you have any questions regarding this notice or wish to make an appointment to review documents related to this proposed health risk reduction plan at the District office, please contact the Engineering Division at APCDEngineering@sdapcd.org or at (858) 586-2600.
