**NOTICE OF REVISED HEALTH RISK REDUCTION PLAN SUBMITTED BY
OTAY LANDFILL, INC.**

The San Diego County Air Pollution Control District (SDAPCD) has received a revised proposed health risk reduction plan under application APCD2024-RRP-990020 from Otay Landfill, Inc., a municipal Landfill located at 1700 Maxwell Road, Chula Vista, CA 91911. This plan revises the plan described in the January 28, 2025 notice and includes additional proposed measures to further reduce potential health impacts.

In accordance with SDAPCD Rule 1210, Otay Landfill, Inc. was required to submit a revised health risk reduction plan to propose how it intends to reduce the health risk associated with the facility's 2021 air toxic emissions.

The facility's revised proposed Health Risk Reduction Plan is available for public review and comments under the following link: <https://www.sdapcd.org/content/sdapcd/permits/public-notices.html>. Written comments may be submitted for a period of 30 days, ending on July 5, 2026, via email at APCDEngineering@sdapcd.org or by mail to 10124 Old Grove Road, San Diego, California, 92131. Please direct your comments to the attention of the Engineering Division.

Should you have any questions regarding this notice or wish to make an appointment to review documents related to this revised proposed health risk reduction plan at the SDAPCD office, please contact the Engineering Division at APCDEngineering@sdapcd.org or at (858) 586-2600.
