

FOR YOUR INFORMATION

**The Following Notice was Published by the
San Diego Air Pollution Control District**

**NOTICE OF PRELIMINARY DECISION BY THE
SAN DIEGO COUNTY AIR POLLUTION CONTROL DISTRICT
TO ISSUE A RENEWAL FEDERAL TITLE V OPERATING PERMIT**

Notice is hereby given that, in accordance with Regulation XIV - Title V Operating Permits of the San Diego Air Pollution Control District's (District's) Rules and Regulations, the Air Pollution Control Officer has made a preliminary decision to approve application APCD2020-APP-006444 to renew federal Title V Operating Permit APCD2007-TVP-978119 for Chula Vista Energy Center, LLC, a power generation facility located at 3497 Main Street, Chula Vista, CA 91911.

The District performed an evaluation of the air pollution impacts of this proposal. The equipment is expected to operate in compliance with all applicable District Rules and Regulations and all applicable state and federal requirements. The proposed Title V Operating Permit incorporates conditions necessary to ensure compliance with all federal, state and District requirements. The facility is currently operating in compliance with all applicable federal, state and District requirements.

The District is seeking comments on the applications for renewal of the Title V Operating Permit for this facility. Written comments concerning the District's proposed action may be submitted for a period of 30 days commencing on September 15, 2021 and ending on October 15, 2021. Please direct your comments to the attention of Melissa Adams, Air Pollution Control District, 10124 Old Grove Road, San Diego, California, 92131. Documents relating to the proposed action are available for public review at this address and online at sdapcd.org.

Should you have any questions regarding this notice or wish to make an appointment to review documents related to this action, please contact Melissa Adams by e-mail at Melissa.Adams@sdcounty.ca.gov or by telephone at (858) 414-9384. Members of the public may petition for a public hearing to receive comments on the proposed Title V Operating Permit. If the Air Pollution Control Officer determines that good cause exists, a public hearing will be scheduled.
