NOTICE OF HEALTH RISK REDUCTION PLAN SUBMITTED BY CONTINENTAL MARITIME OF SAN DIEGO

Notice is hereby given that, in accordance with Rule 1210 - Toxics Air Contaminant Public Health Risks-Public Notification and Risk Reduction of the San Diego County Air Pollution Control District's (SDAPCD's) Rules and Regulations, the Air Pollution Control Officer has received a proposed health risk reduction plan under application APCD2021-APP-006893 from Continental Maritime of San Diego, a shipyard located at 1995 Bay Front Street, San Diego, California 92113. Continental Maritime of San Diego was required to submit a health risk reduction plan to show how it intends to reduce the health risk associated with the facility's 2014 air toxic emissions to below the significant health risk thresholds of Rule 1210.

The facility's proposed Health Risk Reduction Plan is available for public review and comment at the link below. Written comments may be submitted for a period of 30 days, ending on September 24, 2021. Please direct your comments to the attention of Camqui Nguyen by email to Camqui.Nguyen@sdapcd.org, or by mail to SDAPCD, 10124 Old Grove Road, San Diego, California, 92131. The proposed health risk reduction plan is available for public review at this address and online at:
