Dear Mr. Rios,

In Accordance with the San Diego Air Pollution Control District's (SDAPCD's) Regulation XIV, Please find attached the statement of basis and proposed Title V permit for Fleet Readiness Center Southwest (FRCSW), a military installation located in Coronado, CA at Naval Air Station North Island under APCD1978-SITE-02756. This is a renewal of an existing Title V permit.

The application number associated with this permit is APCD2015-APP-004084.

The purpose of this permit action is to renew the operating permit for FRCSW. The application was submitted in a timely manner and the facility has been operating under an application shield. This permit action also incorporates a number of minor modifications and 502(b)(10) changes that had been delayed processing since the permit had expired. These are each discussed in the statement of basis, and the supporting documentation for these changes is also attached.

SDAPCD is requesting review and comment on the proposed action by May 22, 2026 as specified by Rule 1410. A 30 day public comment period in accordance with Rule 1415 is also being conducted concurrently with a comment deadline of May 7, 2026. A copy of the public notice is also attached to the application package.

If you have any questions or require further clarification, please do not hesitate to contact me at (858)945-2104.
