

San Diego County Air Pollution Control District

NOTICE OF HEALTH RISK REDUCTION PLAN SUBMITTED BY PACIFIC SHIP REPAIR & FABRICATION

The San Diego County Air Pollution Control District (District) has received a proposed health risk reduction plan under application APCD2022-RRP-990008 from Pacific Ship Repair & Fabrication, a ship repair & fabrication facility located at 1625 Rigel St., San Diego, CA 92113.

In accordance with District Rule 1210, Pacific Ship Repair & Fabrication was required to submit a health risk reduction plan to propose how it intends to reduce the health risks associated with its air toxic emissions.

The facility's proposed Health Risk Reduction Plan is available for public review and comments under the following link: <https://www.sdapcd.org/content/dam/sdapcd/documents/permits/air-toxics/Pacific-Ship-Risk-Reduction-Plan.pdf>. Written comments may be submitted for a period of 30 days, ending on June 24, 2022, via email at APCDEngineering@sdapcd.org or by mail to 10124 Old Grove Road, San Diego, California, 92131. Please direct your comments to the attention of the Engineering Division.

Should you have any questions regarding this notice or wish to make an appointment to review documents related to this action, please contact the Engineering Division at APCDEngineering@sdapcd.org or at (858) 586-2600.
