

## Terms & Conditions

---

### Eligibility

- The San Diego Air Pollution Control District (“the District”) will provide a limited number of free portable air purifier to households affected by ambient odors from the Tijuana River Valley.
- Distribution is limited to one air purifier and one replacement filter per eligible household within the eligible service area. Additional replacement filters are the responsibility of the participant.
- Applicants must be over the age of 18 and submit application through the District’s online portal or through an SDAPCD authorized partner event.
- Program applicants must be prepared to confirm their identity & home address with any of the following documentation:

**Option 1:** Government issued ID with address on your application

**Option 2:** Government issued ID with different address must also provide, a copy of the MOST CURRENT utility bill (electricity, water, internet, etc.) that shows applicants name and address.

**Option 3:** Student ID card for student attending an eligible middle school or high school AND a copy of the MOST CURRENT utility bill (electricity, water, internet, etc.) that shows applicants name and address.

### Participant Responsibilities & Acknowledgements

- The recipient certifies that the information provided in this application, including any address verification/school enrollment documentation presented at registration and/or distribution events, is accurate to the best of their knowledge and that any false statements, information, or answers will be grounds for disqualification from participation in the program and eligibility to receive an air purifier.
- As the recipient of the air purifier, I agree to provide feedback on the portable air filtration unit and replacement filters, such as performance and end-user experiences, at the request of the District.
- Products not picked up during the specified dates/times will be distributed to the next eligible recipients.
- The recipient agrees not to resell the air purifier or replacement filter received within two years of receipt.
- If home delivery is selected as the option of distribution, the District is not responsible for lost or stolen equipment.

## Terms & Conditions

---

### **APCD Disclaimers**

- To the fullest extent permissible by law, the District will not be liable for any damages or injuries of any kind arising from the acquisition of or use of the air purifier and filters provided by this program.
- By using this product, the recipient is accepting any and all risks associated with its use. This disclaimer does not waive any product warranty offered by the manufacturer of the item.
- The air purifier may reduce but will not completely eliminate odors or other air contaminants.
- The District is not responsible for replacing broken or non-working products. Manufacturer warranty information will be provided with the equipment.
- The District is not liable for participant's failure to receive phone call, text, or email notification of confirmation, including if email security settings caused the notification to go into the spam or junk folder.
- The District may use the information the recipient has provided to track and evaluate the program, including but not limited to evaluation for eligibility to participate in the program. To the extent possible, the District will keep personal information confidential.
- The District is not responsible for electricity costs to operate the purifier.
