How to submit Asbestos Notification and revisions electronically

Step 1: From the Accela Citizen Access (ACA) login screen, enter a username and password the click “Login”. If you do not have an ACA account please click [here](#) for more information on how to sign up.

The screenshot shows the San Diego County.gov website. At the top, there is a navigation bar with the county logo and the text "San Diego County.gov". Below this, there are links for "Announcements", "Register for an Account", and "Login". A search bar is also present. A menu bar contains buttons for "Home", "APCD", "AWM", "DEH", "DPW", and "PDS".

The main content area is titled "Welcome to the County of San Diego's online Citizen Access Portal". It lists the system's capabilities and provides a list of services. A red box highlights the "Login" section, which includes fields for "User Name or E-mail:" and "Password:", a "Login »" button, and a "Remember me on this computer" checkbox. A red callout bubble labeled "Login" points to the "Login" button.

Below the login section, there are several service categories. A red box highlights the "APCD" section, which includes links for "Get Air Quality Service (Permit Applications, Gas Station Tests, Breakdown Notifications, Asbestos Notification)", "Search APCD Records", and "Apply for an Air Quality Grant". A red callout bubble labeled "Select 'Get Air Quality Services'" points to the "Get Air Quality Service" link.

Other service categories include "General Information" (with a link to "Lookup Property Information"), "DEH" (with links to "Create an Application" and "Search Applications"), and "AWM" (with a link to "Search Applications").

Step 3: Select “Asbestos” to start the online asbestos notification

The screenshot shows the San Diego County.gov website interface. At the top, there is a navigation bar with the county logo and the text "San Diego County.gov". Below this, there are links for "Announcements", "Logged in as: ejocson", "Collections (0)", "Reports (1)", "Account Management", and "Logout". A search bar is also present. A menu bar contains tabs for "Home", "APCD", "AWM", "DEH", "DPW", and "PDS". Below the menu bar, there is a link for "Get Air Quality Service (Permit Applications, Gas Station Tests, Breakdown Notifications, Asbestos Notification) more".

Select an option below:

Air Quality Permit Application:
Select "Permit App", then one of the available permit application types. For assistance or to apply for an equipment type not listed below, please contact APCD at (858) 586-2600 or apcdpermits@sdcounty.ca.gov. Submitting this application does not grant permission to construct or to operate equipment except as specified in Rule 24, nor does it guarantee that you will receive a permit. Before acting on an application for Authority to Construct or Permit to Operate, the District may require further information, plans, or specifications. Forms submitted with insufficient information may require re-submission, which will cause a delay in application processing and may increase processing fees. The applicant should correspond with equipment and material manufacturers to obtain the information requested on a supplemental form.

Air Quality Grant Application:
Select "Grants", then one of the available grant application types. For assistance or to apply for a grant type not listed below, please contact APCD at (858) 586-2600 or cleanairgrants@sdapcd.org. Submitting this application does not guarantee that you will receive a grant. Before acting on a grant application, the District may require further information or specifications. Forms submitted with insufficient information may require re-submission, which will cause a delay in application processing. The applicant should correspond with a dealer and/or equipment manufacturer as needed to obtain the information requested on this application.

Gas Station Test Notification, Breakdown Notification:
Select "Compliance", then "Gas Station Test Notification" or "Breakdown Notification" below. For assistance please contact APCD at (858) 586-2650 or apcdcomp@sdcounty.ca.gov. Submitting this application does not guarantee that you will be scheduled for a test. Before acting on this test notification, the District may require further information or specifications. Applications submitted with insufficient information may require re-submission, which will cause a delay in processing.

Asbestos Notification:
Select "Asbestos" below. For assistance please contact APCD at (858) 586-2650 or apcdcomp@sdcounty.ca.gov. Submitting this application does not guarantee that you will be approved. Before acting on this notification, the District may require further information or specifications. Applications submitted with insufficient information may require re-submission, which will cause a delay in processing.

If you are unsure about which option above to choose, please contact APCD at (858) 586-2600.

For **building permits**, including Solar Panels, Air Conditioners, etc., click the above tab labeled "PDS", and choose the appropriate permit type.
