ADVISORY

NOTICE OF AMENDMENTS TO RULE 40 – PERMIT AND OTHER FEES AND RULE 42 – HEARING BOARD FEES

On March 15, 2017, the Air Pollution Control Board adopted amendments to Air Pollution Control District (District) Rule 40 – Permit and Other Fees and Rule 42 – Hearing Board Fees. The rule amendments incorporate adjustments to the fees for District services and take effect on July 1, 2017.

The rule amendments have increased some fees and lowered others. These changes were discussed at industry and public meetings prior to their adoption and are based on the results of an in-depth analysis of the services provided to customers and the actual costs of providing those services. The fee adjustments enable the District to fully recover the costs of its programs and services in accordance with federal, state, and local requirements, while maintaining high levels of service.

Copies of amended Rules 40 and 42 may be viewed on the District's website at the following link: www.sdapcd.org/content/sdc/apcd/en/Rule_Development/Rules_and_Regulations.html.

If you have questions, please contact Renee Loewer, the District's Chief of Administrative Services, at (858) 586-2607 or Renee.Loewer@sdcounty.ca.gov.
