Notes:

- This list includes all facilities that were required to conduct a Health Risk Assessment (based on their potential cancer health risk) and may be affected by revisions to cancer risk reduction thresholds under Rule 1210.
- This list includes the potential cancer health risks that were reported by the Health Risk Assessment conducted by the facility. Per state law, all Health Risk Assessments must be reviewed and approved by the District.
- Calculated cancer health risks with (a) have been reviewed and approved by the District.
- Potential cancer health risks in red are greater than 10, based on information currently available.
- Facilities that have "pending" under the "cancer risk" have a future deadline to submit the Health Risk Assessment or are subject to enforcement actions for not submitting a Health Risk Assessment to the District in accordance with state law.
- (b) Based on Revised Health Risk Assessment
